auspicious occasion of the Skill and Vocational Education Day.

This Award has been instituted jointly by the International Association of Educators for World Peace (Affiliated to United Nations - ECOSOC, DPI, UNICEF, UNESCO), The Global Open University Nagaland (TGOUN), Confederation of Indian Universities (CIU), The Educational Standards and Testing Council of India (TEST-COIN), and Indira Gandhi Technological and Medical Sciences University (IGTAMSU), Arunachal Pradesh for selecting accomplished individuals enabling them to guide the human race living in a historic transitional period of burgeoning awareness of the conflict between human activities and environmental constraints, preparing to venture into a new millennium and to finally help save the fragile and endangered planet with the natural resources already overtaxed. The recipient of this award will help in developing a neological and neocratic approach to education and the thinking process mechanism and tools for reducing the toll the world citizenry have exacted in supporting daily life and the ever growing problems in the world exerting profound pressures on the Mother Earth.
